1+ meter: Parking up to one hour at Base Meter Hourly Rate before Tier 2 is in effect.

2+ meter: Parking up to two hours at Base Meter Hourly Rate before Tier 2 is in effect.

3+ meter: Parking up to three hours at Base Meter Hourly Rate before Tier 2 is in effect.

4+ meter: Parking up to four hours at Base Meter Hourly Rate before Tier 2 is in effect.

3. Special Event Meter Rate

The special event meter rate shall be in effect two hours prior to and during special events. Payment of the flat rate will allow the vehicle to park until it departs from the space.

**Special Event Meter Rate activation point based on meter type:**

	<b>Hour 1</b>	<b>Hour 2</b>	<b>Hour 3</b>	<b>Hour 4</b>	<b>Hour 5</b>	<b>Hour 6</b>
1+ meter	2.00	\$3.50	Special Event Meter Rate			
2+ meter	\$2.00	\$2.00	Special Event Meter Rate			
3+ meter	\$2.00	\$2.00	\$2.00	Special Event Meter Rate		
4+ meter	\$2.00	\$2.00	\$2.00	Special Event Meter Rate		

**1+ Meters** Rates during hour 1 (Tier 1) and hour 2 (Tier 2) shall not change. At hour 3 (Tier 3) rate will be the Special Event Meter flat rate.

**2+ Meters** Rates during hour 1 and 2 (Tier 1) shall not change. At hour 3 (Tier 2) rate will be the Special Event Meter flat rate.

**3+ Meters** Rates during the first three hours (Tier 1) shall not change. At the fourth hour (Tier 2) the rate will be the Special Event Meter flat rate.

**4+ Meters** Rates during the first four hours (Tier 1) shall not change. At the fifth hour (Tier 2) the rate will be the Special Event Meter flat rate.

The calculation of special event meter flat rates will be as follows:

**Special Event Meter Zone**

Tier-based meters located in the Special Event Meter Zone shall charge a flat meter rate after expiration of the posted number of hours, with the exception of 1+ zone, as described above. The meter flat rate shall be no more than 125% of the special event parking flat rate charged Sutter Health Park. A map of the Special Event Meter Zone is attached.

**4. Delayed Meter Rate**

The delayed meter rate shall be in effect on Riverfront Street, from Mill Street to Bridge Street, and in the 5<sup>th</sup> & Bridge Lot and shall delay the charging of the parking meter rate until the end of the second hour. At the end of the second hour, normal parking meter rates shall resume at the Hour 3 level. Only one session per vehicle, per day at this rate shall be allowed. The delayed meter rate shall cease at each location once the daily average occupancy rate there reaches 85%.
